

Back-to-School Drive

Help students start the school year with confidence!

We are collecting new backpacks and suggested school supplies to support local students.

What's different this year?

No need to fill the backpacks! Instead, we're creating a student "shop" experience, where Kids can choose the supplies they need most—giving them dignity, choice, and the tools to succeed.

How You Can Help:

- Donate new backpacks
- Purchase items from our suggested supply list
- Share this opportunity with others

Together, we can make sure every student is prepared and empowered for the school year ahead.

Suggested School Supplies:

Pens	Post-It Notes	Colored Pencils 12 box
Pencils No. 2	Highlighters	Markers 10 box
Erasers - Pink	Spiral	Composition books
Glue sticks	notebooks	Loose leaf paper
Scissors (blunt nose)	Crayons 24 box
